

PROJECT I

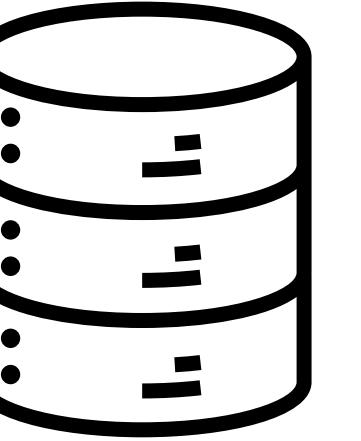

Worldwide Shark Attacks

Date:

Tuesday, 24th Oct. 2024

Amir Golafshan

Used columns from the shark attack Data set.

Species
Fatality
Activity
Age

Primary Questions:

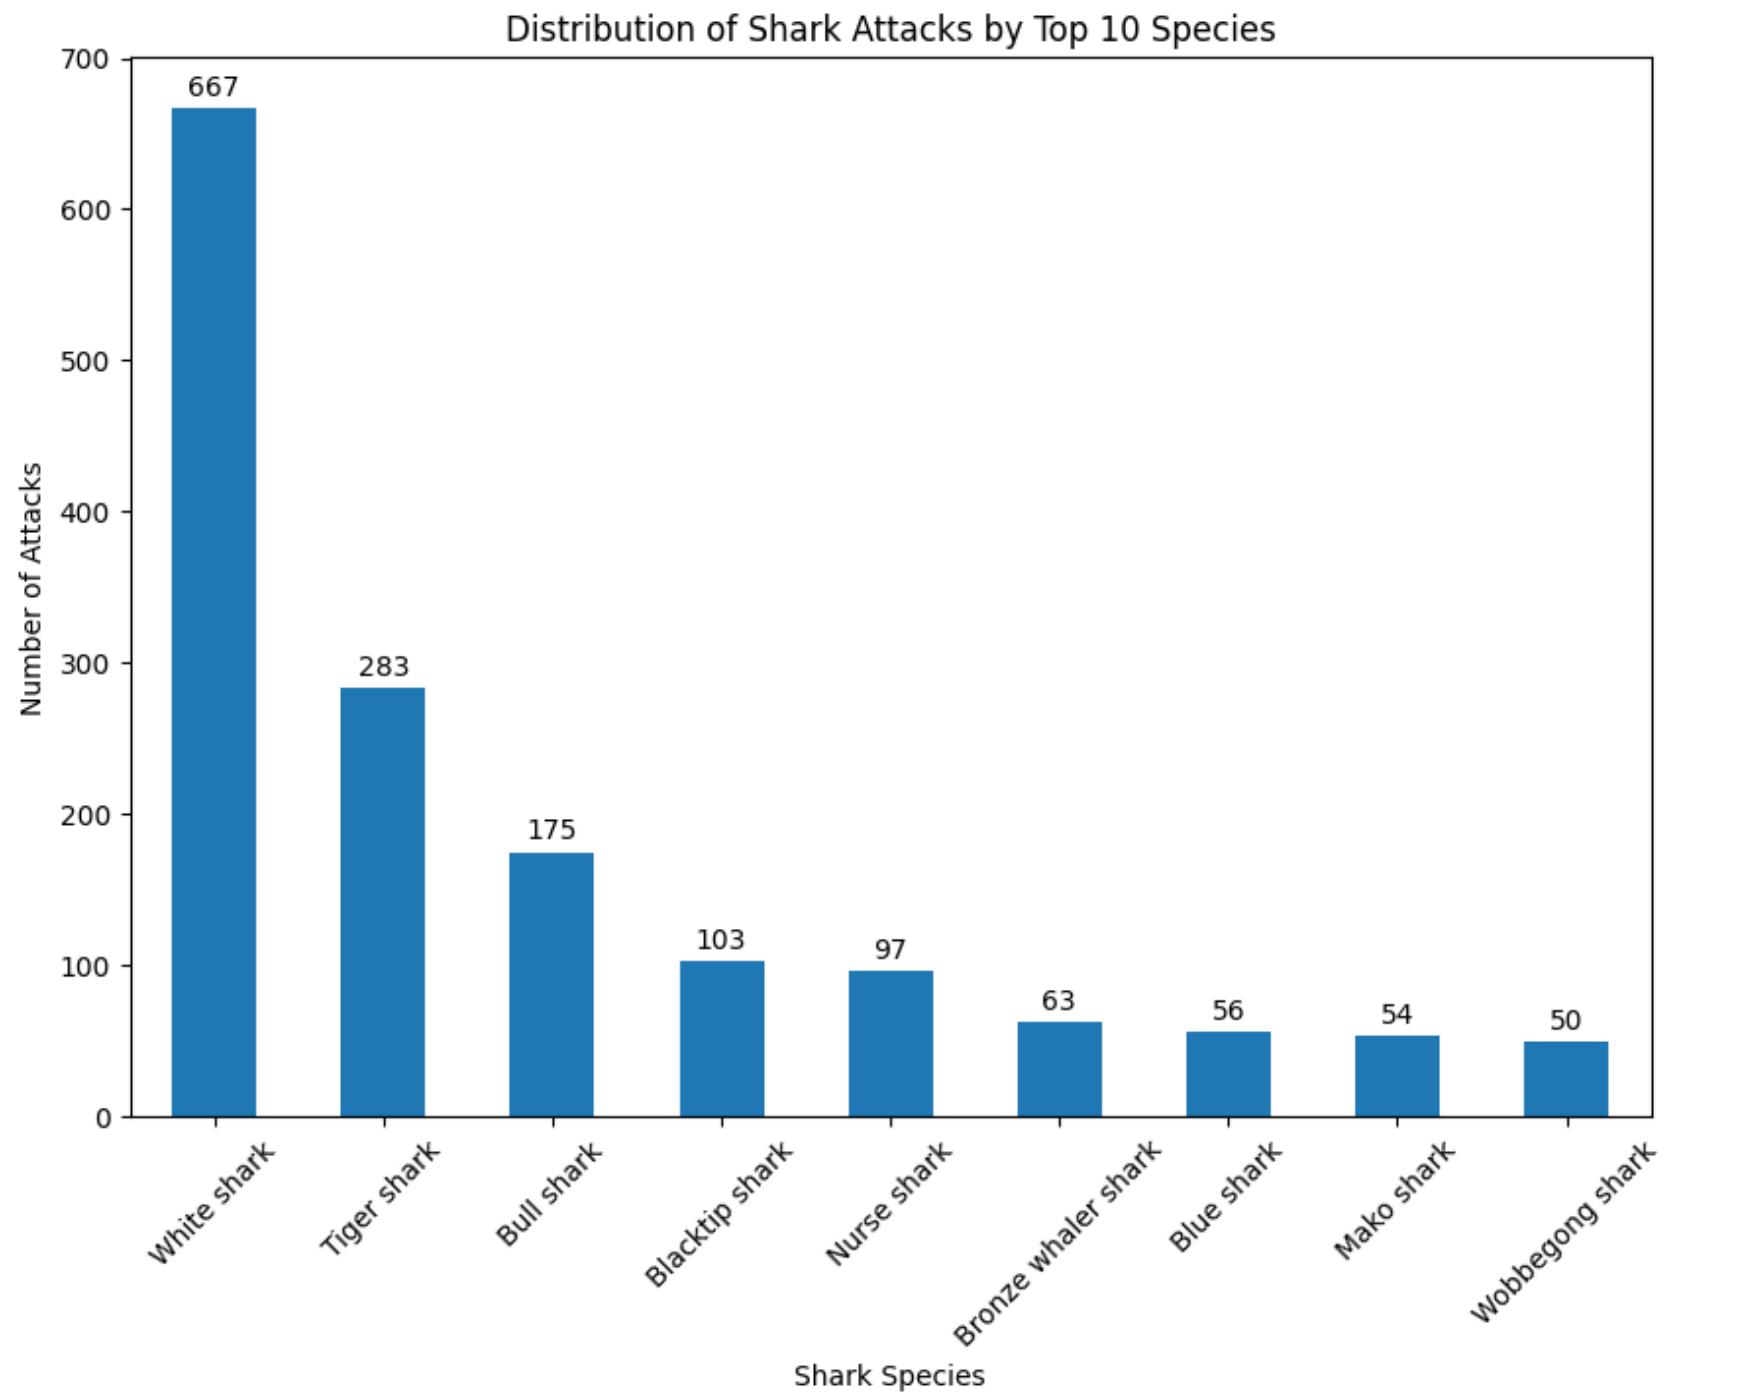

- Which are the top 10 shark species with the highest number of recorded attacks?

Secondary Questions:

- Fatality of top 10 attacks?
- Fatality:
surfers and paddleboarders
- Fatality (age variation):
surfers and paddleboarders

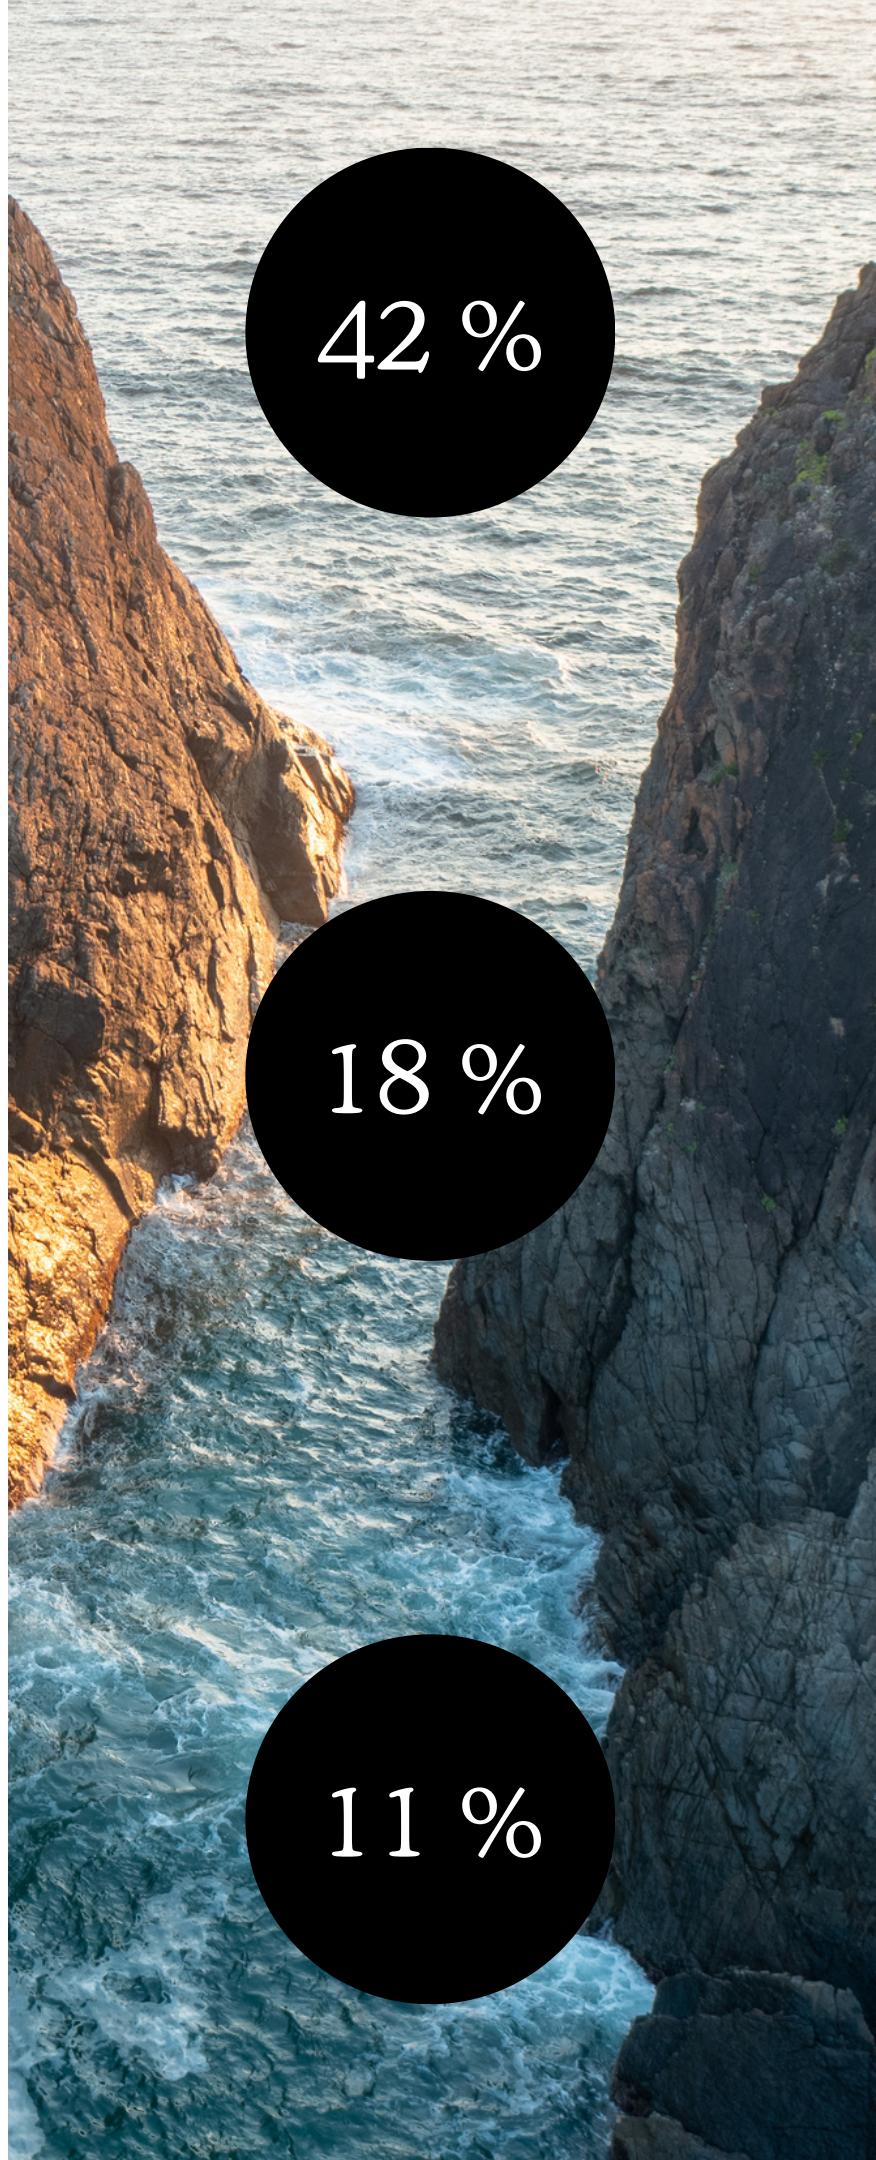

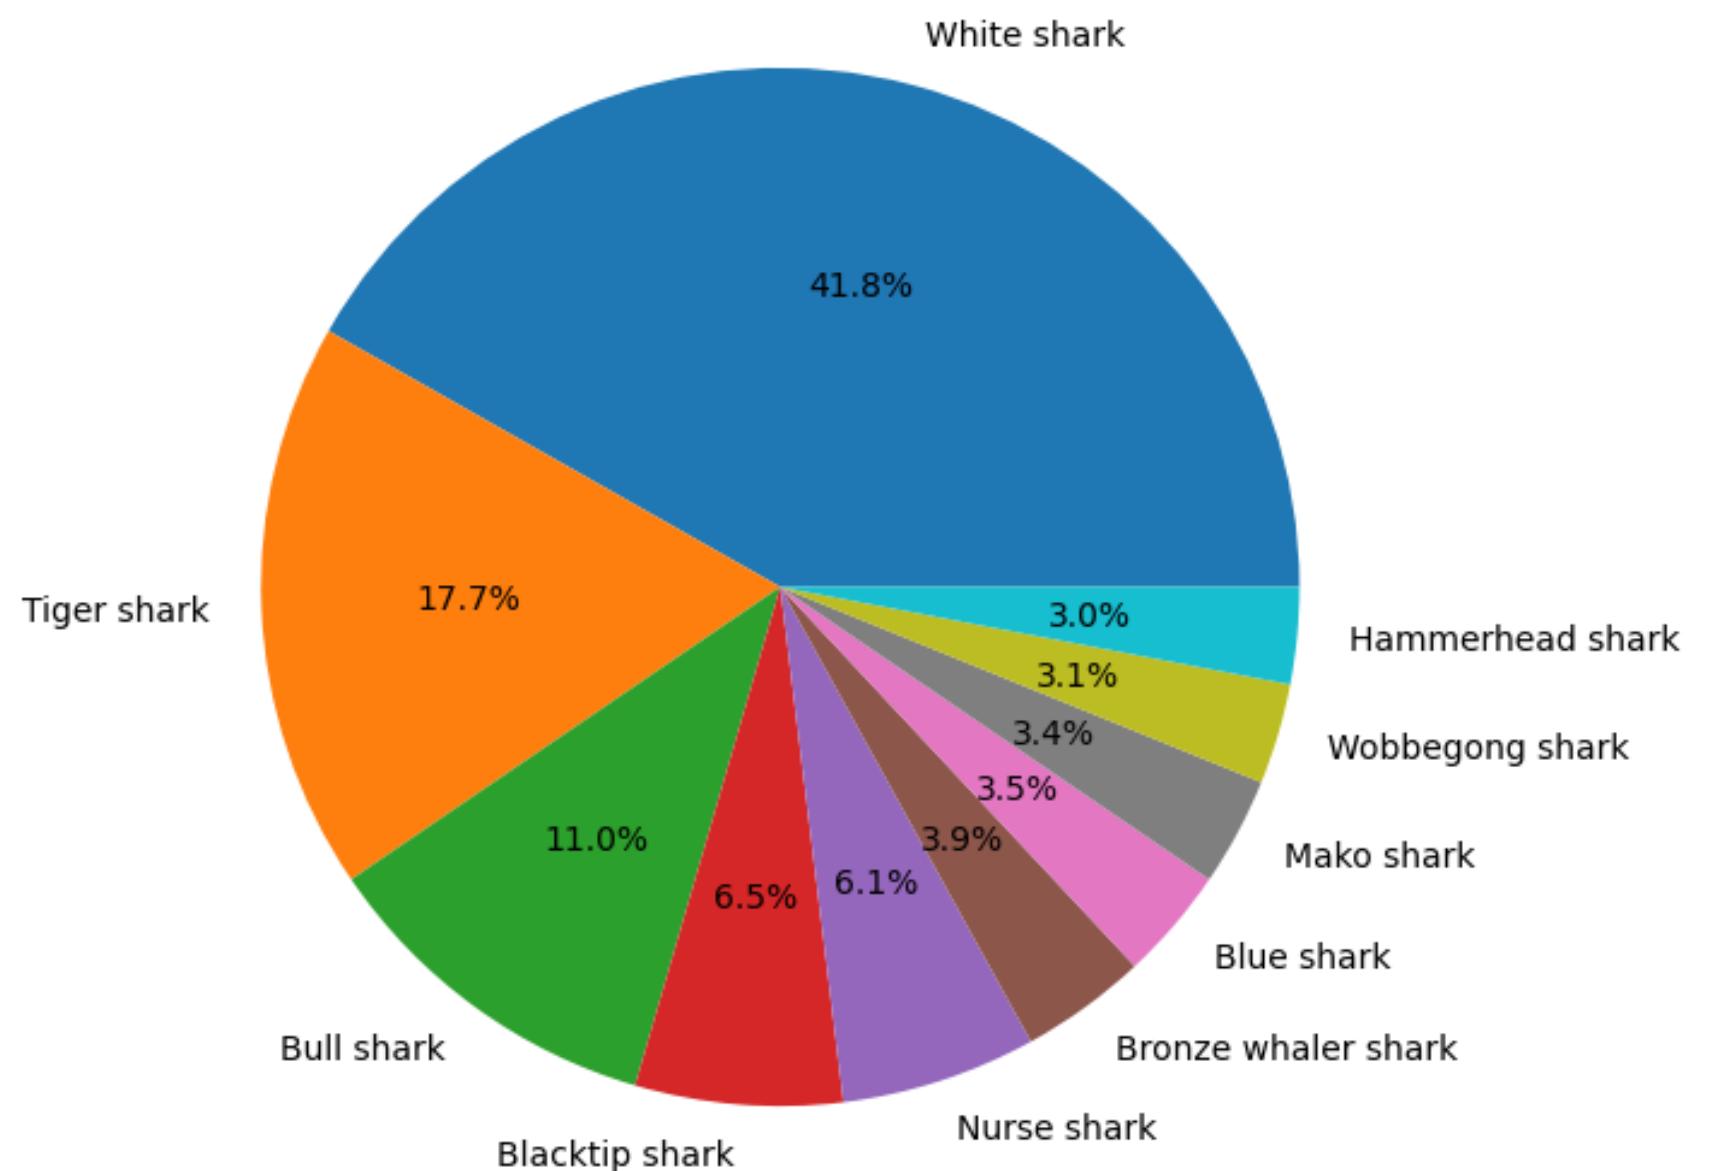

The most hungry sharks

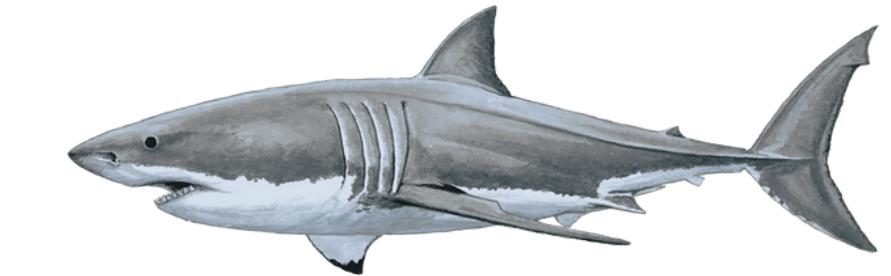

The most hungry sharks

Distribution of Shark Attacks by Top 10 Species

White Shark

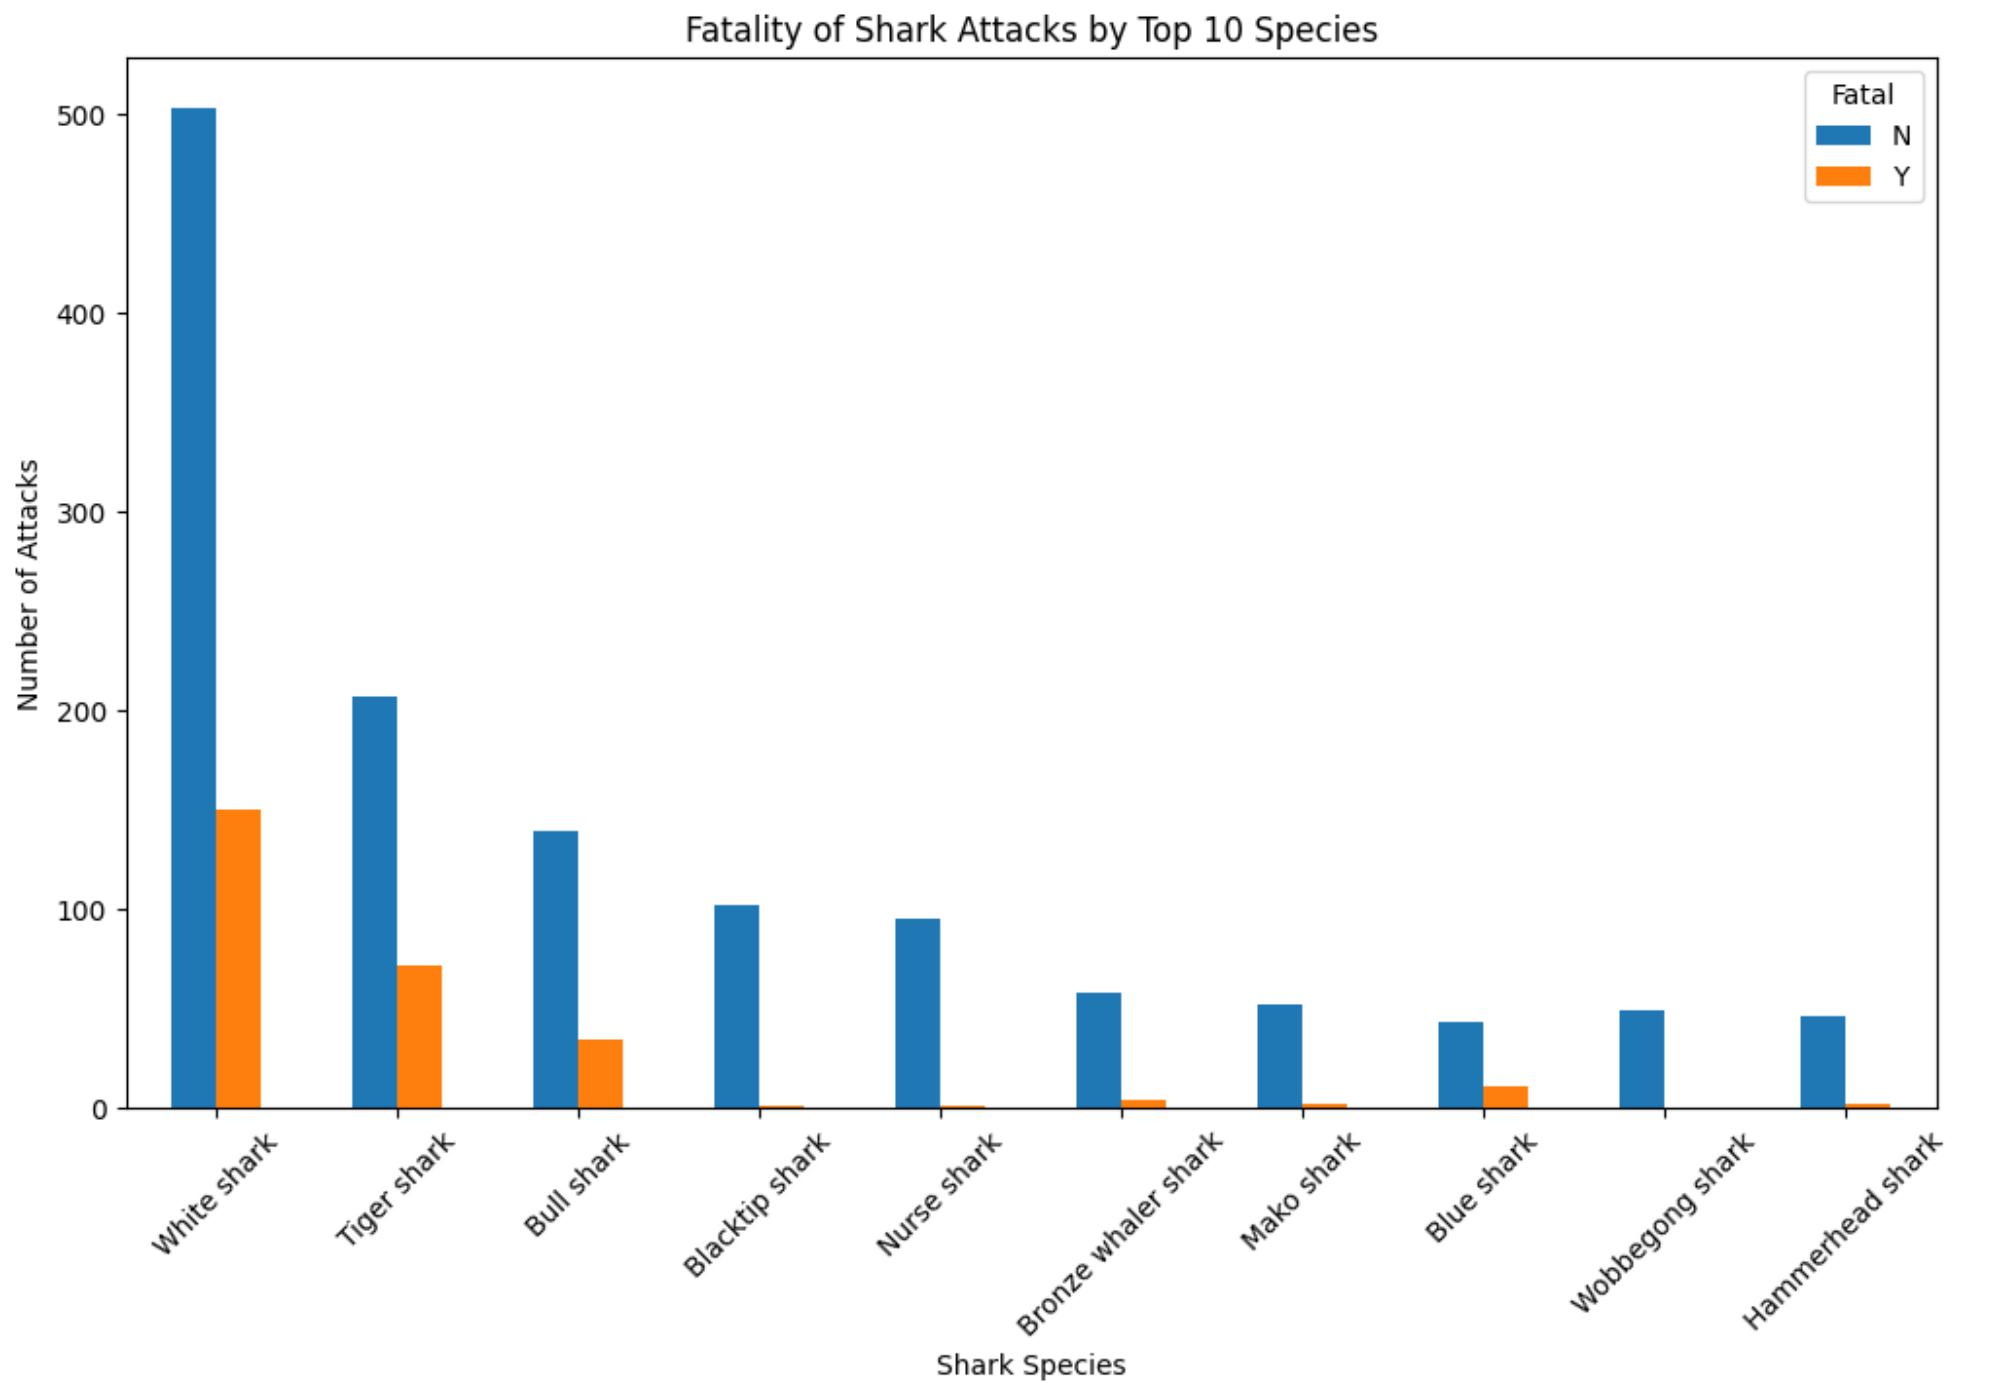

Tiger Shark

Bull Shark

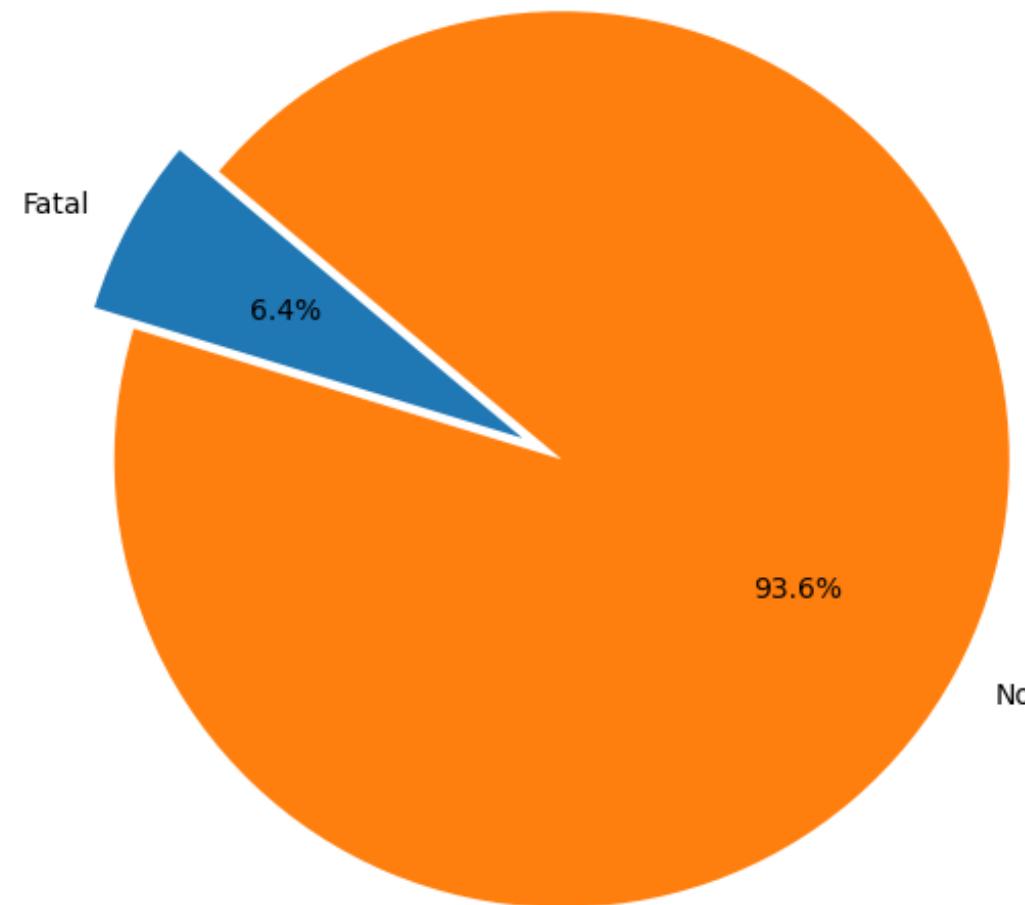

How many people end up dying

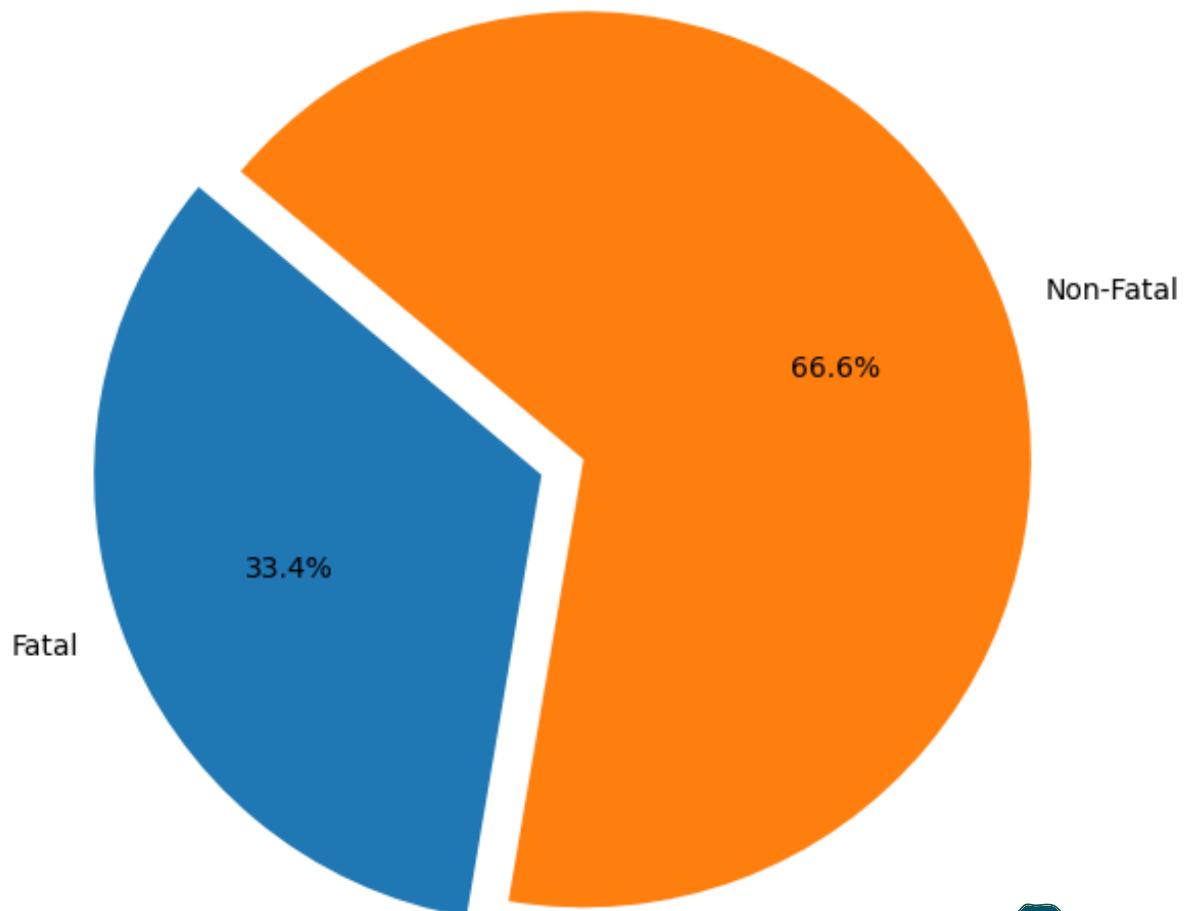

Fatality: Surfers vs Paddle-boarders

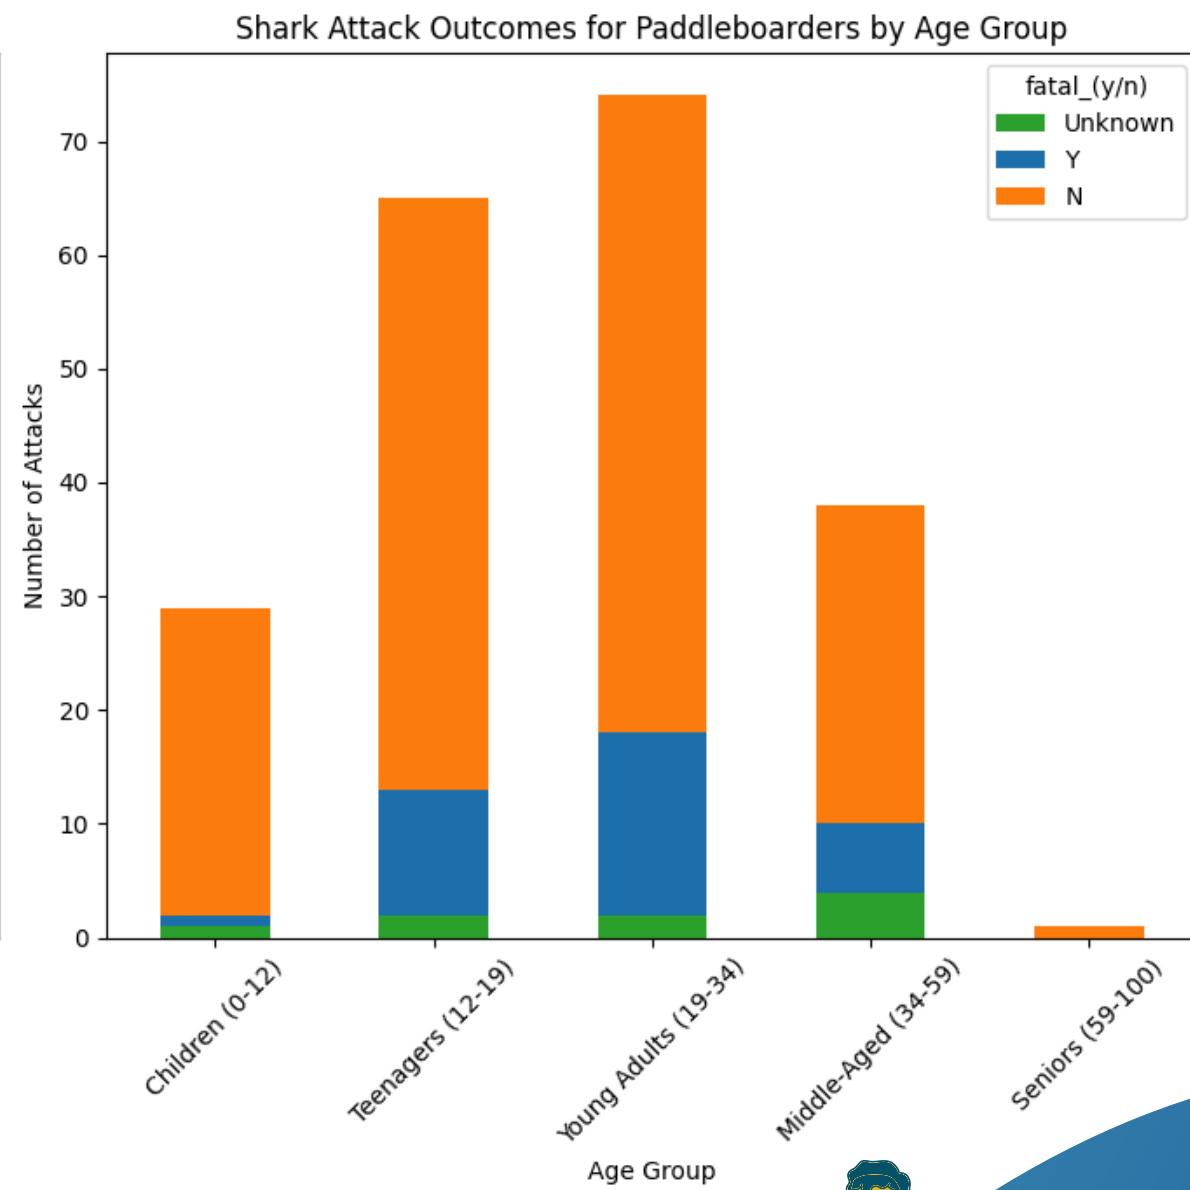

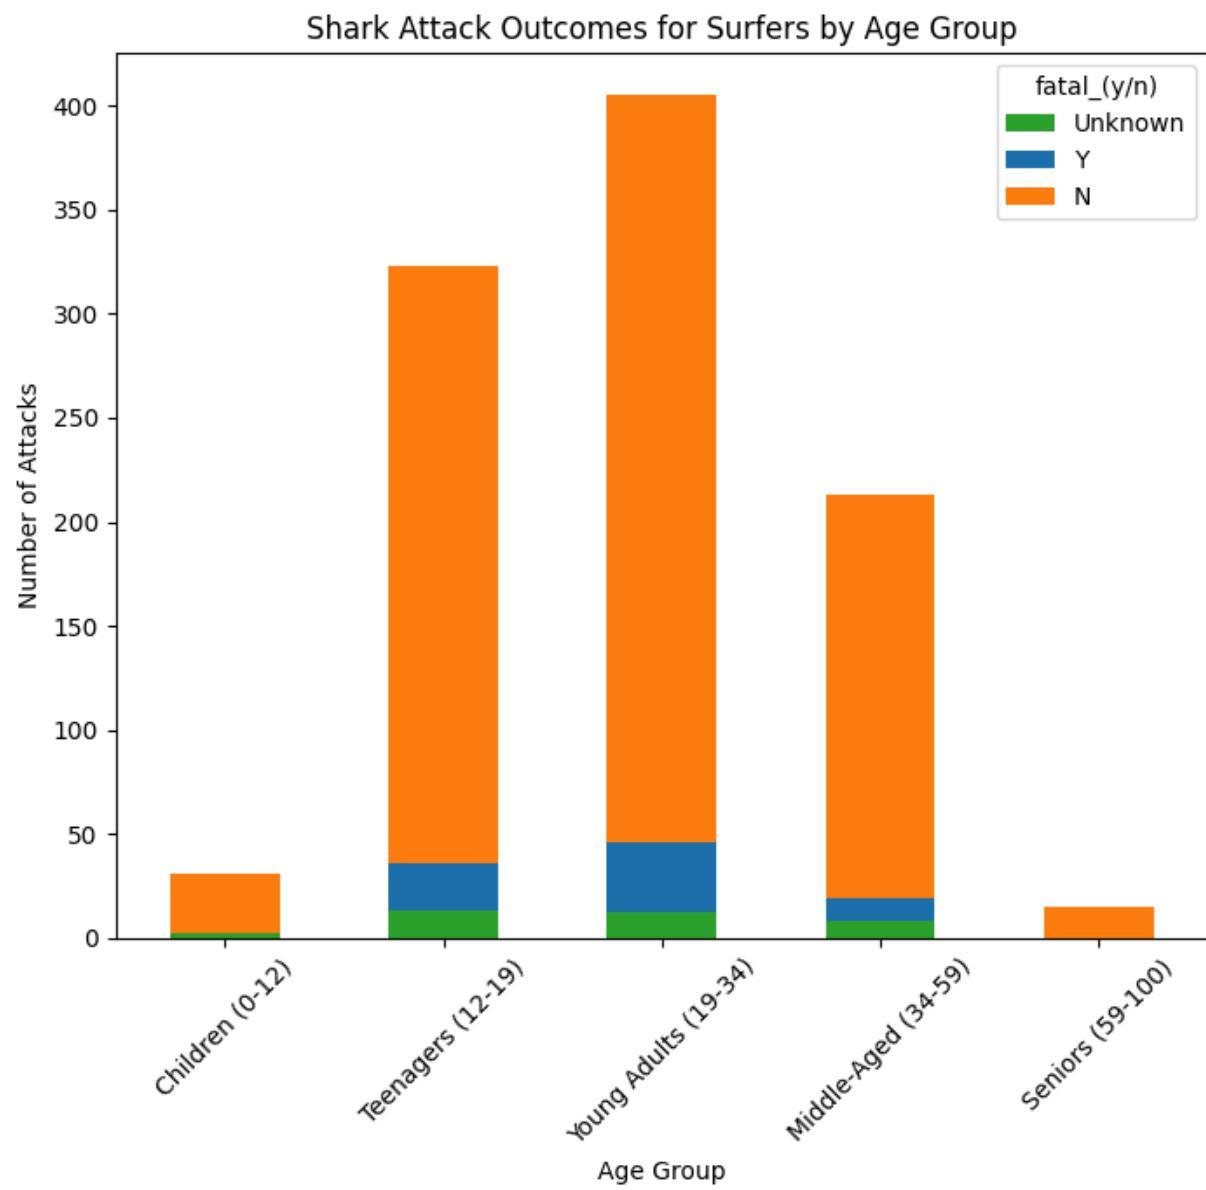

Shark Attack Outcomes for Surfers (Total: 1219)

Shark Attack Outcomes for Paddleboarders (Total: 344)

Fatality: Surfers vs Paddle-boarders (age group)

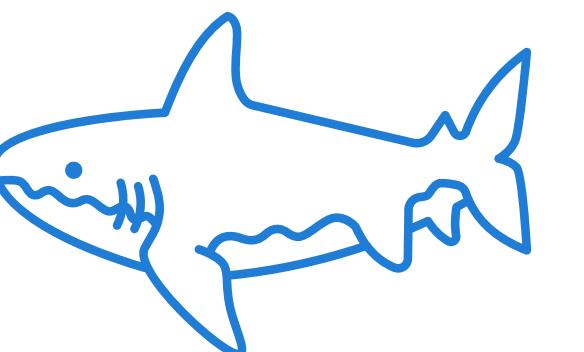

Most sharks are just curious, not hungry.

So, whether you're on a board or in the water, remember:

RESPECT

the locals, especially the finned ones!"

Thank you for
your attention

&

STAY SAFE
